

I. Product Description

Double Strength Insect Repellent uses a double strength formula to repel mosquitoes, gnats, chiggers, fleas, ticks, biting flies and other flying insects up to twice as long as common consumer insect repellents. Additionally, **Double Strength Insect Repellent** protects outdoor workers by reducing the risk of contracting Lyme Disease from ticks when sprayed on exposed skin and clothing. DEET content 27.32%.

II. Applications

Recommended for any outdoor worker that is exposed to insects around electric and power utilities, telecommunications equipment and installation sites, bridge and tower maintenance, cable and wire installation sites, industrial plant grounds, warehouses, farm structures and buildings.

III. Features & Benefits

- **Double Strength Formula.** Protects up to twice as long as common consumer insect repellents.
- **Repels Insects and Pests.** Repels insects that can distract and annoy, as well as spread disease and infection.
- **Convenient Aerosol Package.** For easy and controlled application of product.
- **M.S.D.[L.]™ Material Safety Data Label** provides instant access to current safety information should an accident or OSHA inspection occur. Helps comply with **OSHA Hazard Communications Standard 29 CFR 1910.1200.**

IV. Physical Properties without propellant

Flash Point	<0°F (TCC)	Freezing Point	Not applicable
Odor	Mild aromatic	Boiling Point	Not applicable
Appearance	Clear liquid	Solubility	Insoluble in H ₂ O
Vapor Density	>air	% Volatile	90.3%
Vapor Pressure	1.67 x 10.3 mm Hg @ 25°C	Specific Gravity	0.966
Sara Title III, Sect. 313 Chemicals	None	Propellant	Hydrocarbon
VOC Content (Fed)	61.5%		
Prop 65	No		

V. Specifications and Approvals

- EPA Reg. No. 11715-85-55809.

VI. Performance Characteristics

- Not applicable.

VII. Directions

- For best results, spread evenly and completely over skin and clothes.
- Hold can 8-12 inches from skin or clothing while spraying, keeping nozzle pointed away from face.
- Slightly moisten skin or clothing with a slow, sweeping motion.
- Apply to hand for application to face and neck. Do not apply to eyes and mouth.
- Use just enough repellent to cover exposed skin and clothing.
- Repeat application as necessary.
- Avoid overexposure – frequent reapplication and saturation are unnecessary for the effectiveness of **Double Strength Insect Repellent**.

VIII. Package Description

Part Number	Container Size
14011	8 oz Aerosol

IX. Disposal

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations.

X. Special Use Warnings

General

Do not apply over cuts, wounds, or irritated skin. Do not apply to the hands of young children. Do not use under clothing. After returning indoors, wash treated skin with soap and water. After using, wash treated clothing. Use of this product may cause skin reactions in rare cases. Avoid contact with eyes or lips. For more information, review the Material Safety Data Sheet for this product.
